

Driving with Neurodivergence: Mock Traffic Stop

Presented by:

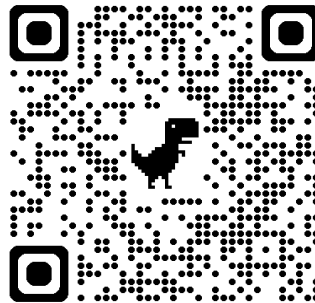

Thursday, June 19th, 1pm - 3pm

Northern CO Law Enforcement Training Center - 5300 Boyd Lake Ave., Loveland, CO 80538

*Drivers work with law enforcement officers and occupational therapists who specialize in driving to learn exactly what to do when pulled over. We'll also discuss self-disclosure so drivers are able to advocate for themselves in a safe and effective manner. No actual driving will take place - simulation is done in parked cars. **Workshop is limited to 8 permitted or licensed drivers.***

Parents/guardians are strongly encouraged to attend.
