

Confidential Medical Examination Report

Instruction Sheet

The Driver/Patient Section is to be completed by the Driver/Patient.

1. The Driver/Patient should fill in their Name, Address, Customer Identification Number, if known, and Date Of Birth.
2. The Driver/Patient should sign this section.

The Physician/Ophthalmologist section is to be completed by a Physician (MD or DO), Physicians Assistant (PA), Advanced Practice Registered Nurse (APRN) or an Ophthalmologist/Optomtrist (OD).

1. The form is valid for 180 days from the date of the examination.
2. If the 'Require DMV retesting in one year?' question is not answered, "No" will be assumed and selected as a default answer.
3. The Physician/Ophthalmologist observation section required fields must be completed.
4. Only **one** of the fitness to operate options must be selected.
5. Any alterations, erasures or multiple selections of the fitness to operate options will result in an invalid and rejected form.
6. The form must be signed by a Physician (MD or DO), Physicians Assistant (PA), Advanced Practice Registered Nurse (APRN) or an Ophthalmologist/Optomtrist (OD).

If a DR 2401 is requested by the Department of Motor Vehicles, Drivers License Office, the examination date on the form needs to be after the issue date of the notice of cancellation and denial. The form is valid for 180 days from the date of the examination.
